

# Artur Simão

2D Background and character Artist.

## EXPERIENCE

### Cipó Studio - 2D artist

Jan 2024 - PRESENT

At Cipó studio under the supervision of the art director I was in charge of creating 2D backgrounds and designing props in a Anime and semi-realistic style.

- 2D Background illustrations
- Designing and painting 2D props
- 2D Prop Front and side view drawings for 3D artists.

Delivering production-ready 2D assets that maintained visual coherence across projects.

### Freelance concept artist

2022 - 2024

Working as a freelance artist I was hired by private individuals and small teams to create:

- Illustrations focused in storytelling
- Backgrounds with complex perspective
- Designing characters
- Character turn arounds
- Designing props

Delivering 2D assets, illustrations and designing characters for RPG games, character turn around's for 3D artists, illustrations for visual identity.
